Dear Parents/Carers,

## **RE: Enrichment Day 25<sup>th</sup> June 2026**

I am delighted to inform you that Higham Lane School will be running enrichment activities for students in Years 7 to 10 on Thursday 25<sup>th</sup> June.

Our enrichment programme is designed to ensure all students have access to high-quality enrichment experiences beyond the classroom. We aim for our activities to focus on curiosity, creativity, practical application and offer broader subject experiences.

The programme supports our HLS guarantee on opportunity, and by offering these opportunities on one day in the school year, ensures that enrichment is accessible, inclusive, and sustainable.

We are asking that all students take part in the enrichment activities provided.

There will be a cost to the activities. Please note that if your child is in receipt of Pupil Premium Funding, all Enrichment opportunities will be free of charge.

We will be sending out letters specific to year group with further information on the enrichment opportunities available to your son/daughter. We ask that you complete the google form link on the letter with your child as soon as possible. Students will have their places allocated on a first come first served basis.

We do hope you will share our enthusiasm for this exciting curriculum opportunity.

Should you have any questions regarding Enrichment, then please do not hesitate to contact me at school.

Yours sincerely

Mrs E Mitchell
