It's nearly time!

- All of our school timetable is suspended for the day and you will be involved in some great activities, that your teaching staff have organized for you.
- On the following slides there is organizational information for each year group.
- It is very important that you follow the information I am about to share.

What do I do if I don't know what I'm doing?

- This is highly unlikely by now however, your tutor has access to the Enrichment lists, and they can confirm what you are doing this morning. Make a note of it in your planners so you don't forget.
- Your Enrichment choice is also on Parent Pay and your parents/carers should have received a letter about the activity you are on. Letters can also be found on our school website.
