

# Higham Lane School

Work Hard | Be Kind | Take Responsibility

Headteacher: Mr Michael Gannon, BSc (Hons), PGCE, MEd, NPQH

Dear Parent/Carer,

## **Year 10 Enrichment Day – Thursday 25th June Band 1 STEM Option**

As part of our Year 10 Enrichment Day programme, your child will be attending the MIRA MTI Technology Institute during the morning of Thursday 25th June and will then take part in their allocated PE enrichment activity during the afternoon.

Students should arrive at school by 8.35am and meet staff in the tennis court area. We will depart for the MIRA MTI Technology Institute at 9.10am.

During their visit, students will take part in a range of interactive and practical activities designed to develop problem-solving, communication and teamwork skills, while encouraging reflection on workplace standards and expectations. The programme will also support students in recognising how their STEM skills are transferable across a wide range of job roles and industries.

We will leave MIRA at 12.00pm and return to school in time for lunch.

Lunch will take place as normal from 12.30pm to 1.15pm.

At 1.15pm, students should report to the Sports Hall for their allocated PE enrichment activity. Students have already been informed of their PE option by their PE teacher.

Students are required to wear their full Higham Lane School uniform for the visit and must bring their Higham Lane School PE kit to change into for the afternoon activity.

Thank you for your continued support. We are confident that students will benefit greatly from this valuable enrichment opportunity and enjoy the experiences provided throughout the day.

Yours sincerely,

Mrs E Mitchell

Associate Assistant Headteacher – Personal Development & Well Being
