Dear Parents/Carers,

RE: Enrichment day – Embracing European Day of Languages

As you are aware, your son/daughter has chosen the Day in Europe programme of activities for Enrichment day. I am writing to confirm your child's place on this enrichment activity and as a reminder that payment is now due. The cost is £10 and payable via your ParentPay account.

If your child is entitled Pupil Premium, the cost of this enrichment programme will be covered by the school.

Activities will take place in school time - please make sure you and your son/daughter make a note of the timings shown below.

School uniform is not required for Enrichment Week but please ensure that your son/daughter adheres to the School's expectations about suitable non-uniform, as outlined in the letters about non-uniform days. Failure to do this may result in them being unable to participate in the activities for that day.

As students are in school, they will have access to the school canteen as normal. During the day they will take part in a rotation of activities including learning about other languages and their culture. They may wish to bring in any stationary they would like to use with them e.g. coloured pencils, fine liners, felts.

Students are expected to uphold the high expectations for behaviour of the school during any activities. Please note that should students not follow the behaviour expectations, then they may be removed from any of these activities.

On Thursday, 25th June, the children will enjoy the following activities:
